

Associate Financial Advisor – Rogers, MN

Our Rogers office is seeking an industry experienced professional to join the North Star Family as an Associate Advisor. This candidate would enter into our Financial Advising Training Program to learn how to build a practice with guidance from a Senior Advisor. While in training, the candidate would work within the Senior Advisor's practice and simultaneously build their own book of business.

A possible candidate could be in a paraplanner or administrative position today that has experience working within an advisor's practice, but lacks room for advancement and autonomy in their current position. If you are looking to become a successful entrepreneur in this career under the guidance of an experienced financial advisor, you may be a good fit for this role. This profession involves sales and marketing with the ability to have ownership; all while making an impact in your clients' lives. If this description sounds like you, apply online at <http://www.northstarfinancial.com/careers/position-openings/> and send your resume to our National Director of Recruiting and Advisor Development Mitch Zimmer at Mitch.Zimmer@northstarfinancial.com with the subject "Associate Financial Advisor Application: Rogers".
